## SUMMARY

As a recent B.Tech Computer Science graduate, I'm looking forward to applying my coding and problem-solving abilities in a professional setting. I'm excited to learn new technologies on the job, collaborate with a team, and help develop effective software solutions. My goal is to grow into a skilled developer through hands-on experience.

## WORK EXPERIENCE

**Intern at - NETPARAM Technologies Pvt. Ltd. (Jaipur)** **Nov, 2024 - March, 2025**

- During an internship, I got hands-on building web apps with HTML, CSS, and JavaScript, diving into the full MERN stack.
  - Beyond that, I've enjoyed creating my own projects from idea to launch, really strengthening my coding and problem-solving skills.
  - As a fresh B.Tech CS grad, I'm now eager to jump into an entry-level role, contribute to a team, and keep learning new things every day
- 

## PROJECTS

- A frontend UI/UX tourism website with simple login/signup functionality using HTML, CSS, and JS.
  - A UdemY Clone with full-stack setup using MERN stack and hosted on Vercel.
